

# Proxi Cables, Distribution Boxes and Connectors

Phoenix Contact's PLUSCON line has it all!

## Sensor Actuator Cabling Solutions

Modern connection technology with IP67 protection. Sensors and actuators can be connected to the control cabinet fast and conveniently by means of pluggable distributors. Not only an extensive range of boxes with a variety of solutions for master cable connection are now available, but also the full spectrum of M8 and M12 field attachable connectors.

### Product Selection

Over 1,800 parts are available to meet sensor/actuator connection needs. Below are just but a few of our highest running cables and field-attachable connectors to get you started.

Please contact our tech support for assistance.

Part	Type	Long Description
1683510	SAC-3P-5.0-PUR/M12FS	M12, 3 Pole, Straight plug, at 5m
1694525	SAC-3P-5.0-PUR/M12FR	M12, 3 Pole, Angled plug, at 5m
1668124	SAC-4P-5.0-PUR/M12FS	M12, 4 Pole, Straight plug, at 5m
1668247	SAC-4P-5.0-PUR/M12FR	M12, 4 Pole, Angled plug, at 5m
1662528	SACC-M12MS-4CON-PG 7-M	Sensor Actuator Plug, 4 position, M12-male, A-coded
1681127	SACC-M12FS-4CON-PG 7-M	Sensor Actuator Plug, 4 position, M12-female, A-coded

Over 1,800 parts are available
